

XXX CONGRESO ALASBIMN  
XIII CONGRESO FMMNIM  
BENITO JUÁREZ - QUINTANA ROO - MÉXICO  
2025

**MEMORANDUM OF UNDERSTANDING**

Between:

The International Society of Radiolabeled Blood Elements "ISORBE", and the Latin American Association of Societies of Biology and Nuclear Medicine "ALASBIMN"

This Memorandum of Understanding ("MOU") is effective as of March 16, 2025, between the Society of Radiolabeled Blood Elements "ISORBE" and the Latin American Association of Societies of Biology and Nuclear Medicine (ALASBIMN). The parties agree as follows:

**Article 1: Purpose and Scope**

To expand collaboration between ALASBIMN and ISORBE

**Article 2: Areas of Collaboration**

The areas of collaboration between ISORBE and ALASBIMN could include, but are not limited to, the following initiatives:

- Mutual exchange of educational activities aimed at continuing medical education of nuclear medicine professionals in molecular imaging of atherosclerosis, thrombosis, inflammation and infection.
- Joint activities for the promotion of Nuclear Medicine and molecular imaging of atherosclerosis, thrombosis, inflammation and infection, also in collaboration with other scientific societies in Latin America and Europe.
- Both societies will share information about their respective training activities, committing to disseminate them among their members, who will have access to special rates.
- The signatory societies will mutually share, if available, their respective newsletters and logos.
- Both societies will include on their respective websites a link to the website of the society signing this agreement.
- Offering free booth space and up to 2 complimentary exhibitor registrations for the visiting society at the meeting.
- Each society will grant up to 3 free meeting inscriptions for members of the respective Board of Directors of the other society.

XXX CONGRESO ALASBIMN  
XIII CONGRESO FMMNIM  
BENITO JUÁREZ - QUINTANA ROO - MÉXICO  
2025

**Article 3: Timing**

Leadership meetings shall be held at least once a year at an international meeting

**Article 4: Future Cooperation**

The present MOU will be valid for 3 years.

After 3 years, this MOU can be revised by both parties.

The present MOU outlines the general conditions and arrangements for future cooperation between the interested parties. It is not legally binding on the parties.

The exact terms and conditions of this future cooperation will be negotiated.

**March 2025**

On behalf of the International Society of Radiolabeled Blood Elements "ISORBE"  
and on behalf of the Latin American Association of Societies of Biology and  
Nuclear Medicine (ALASBIMN).

Dr. Edel Noriega  
President of ISORBE

Dr. Gisela Estrada  
President of ALASBIMN
